

ELECTRIC Silhouette E

FREE-HANGING, CEILING- OR WALL-MOUNTED

- Silhouette E presents slender dimensions with a contemporary design. A sleek, curved aluminum case with a white finish and matching endcaps. It features easy installation with no exposed fasteners or mounting fixtures. This free-hanging, fiberglass-backed projection screen maintains flatness thanks to the weight of the screen and bottom dowel. The screen and dowel retract completely inside the case providing a streamlined look.

THIS SCREEN IS FREE-HANGING
Free-hanging, fiberglass-backed projection screen maintains flatness thanks to the weight of the screen and bottom dowel.

FEATURES

- NTSC, HDTV, and 16:10 formats have image area framed with black on all four sides. Black side borders are available upon request for AV.
- Black drop standard, depending on screen size. Extra drop above image area available upon request.
- Front fascia removable without tools for easy access to roller and motor for service.
- Streamlined extruded aluminum case finished in white (standard) black available. No exposed fasteners or mounting brackets.
- Bottom of viewing surface enclosed in dowel that disappears inside case when retracted.
- Conduit connection provided at back or top of case.
- Includes one 110-120V, 3-position switch (standard).
